Every student must have either a credit card or e-check authorization on file. Any outstanding balances including late fees and finance charges still open on the Friday of the week of care will be charged per the authorization. A \$1.00 fee will be assessed as a finance charge if the information on file must be used. Non-Sufficient Funds or Card Decline will be charged \$35 fee. Full payment will then be required in cash by the following Monday by pick up time or student will not be allowed to return on Tuesday.

If a parent calls in and says to just charge the payment to the card/bank account on file, a \$1.00 fee will be added to the amount due and charged at that time.
